

HOMeward BOUND VETERANS

STABILITY - DIGNITY - A PATH HOME

Homeward Bound Vets (HBVets) envisions a nation where no veteran faces homelessness, isolation, or instability alone. We are building a replicable network of structured transitional homes—Pathfinder Houses—in every community with demonstrated need, ensuring that every veteran who served our country has a clear path back to stability, dignity, and independence.

SERVICE - COMMARADERIE - RESPECT - ACCOUNTABILITY- TRANSPARENCY

WHAT WE DO

HBVets provides safe transitional housing, structured reintegration, and essential support services — delivered by people who understand the journey firsthand. We offer stability, accountability, and a clear path forward .

WHY IT WORKS

We meet urgent needs first by prioritizing housing and critical referrals. This immediate stability creates the foundation veterans need. Our lived-experience leadership and high-accountability model make the support both practical and effective.

Our Services:

- ✓ Transitional housing (6–12 bed homes)
- ✓ Case management & reintegration planning
- ✓ Workforce readiness & employment support
- ✓ Essential needs support (food, clothing, documentation)
- ✓ Community referrals & VA navigation
